

### ITALIAN F-104G STARFIGHTER IN SPECIAL SCHEME.

*Above and below:* These two pictures show both sides of a specially painted Italian Air Force F-104G Starfighter of 22 Gruppo, photographed at Istrana air base, Italy on 6 May. The occasion was a ceremony to award silver and bronze medals for military

valour to the unit. An immaculate Aermacchi C200 fighter, a veteran of the Second World War, marked with the insignia of 22 Gruppo Caccia was also present. (both photos by Diego Bigolin)
